

PRAVIN SAI

Content Writer

9014128209 | pravinsai.writes@gmail.com | pravinx6.github.io

PROFILE

Content writer interested in exploring ideas, researching different topics, and turning what I learn into clear and engaging writing. I enjoy writing across a range of subjects, including technology, education, human experiences, everyday observations, and ideas that make people think.

WRITING EXPERIENCE

Independent Content Writer

Writing original articles across different topics; researching and developing ideas into clear, engaging articles; building an independent writing portfolio; and developing a consistent writing practice.

SELECTED WRITING

Do Marks Really Measure a Student's Ability?

Personal reflection · Student life · Education

Who Actually Controls the Internet?

Technology · Research · Internet

Why Do We Feel Lonely Even When We Are Always Connected?

Personal reflection · Human experience · Connection

SKILLS

- Article Writing
